## Information in your surgical appointment

Dear Pet Owner,

we have arranged a surgical appointment for your pet.

The appointment takes place:

on (weekday, date) \_\_\_\_\_ at \_\_\_\_\_ o'clock.

Type of invention:

---

Estimated cost: \_\_\_\_\_

(Please be aware, that this is an estimation which can change if there are complications.)

Please help us decreasing the anaesthetic risk by taking care of following points:

### MEALS

On the day of the appointment, your pets stomach should be empty when you bring it to us. Usually they can eat on the day before until 10 PM. Drinking is allowed until 8 AM on the day of the appointment. Cats should stay inside the house on the before the appointment.

### MOVEMENT, DEFECATION AND URINATION

On the day before and on the day of the appointment, the patient should rest and take it easy. A little, relaxed walk before the appointment is fine for dogs to empty the bladder and rectum.

### GENERAL CONDITION

For routine-interventions, it's important to us, that your pet is healthy. Please call us, if your pet f.ex. has diarrhea, is vomiting, has a temperature or won't eat please call us.

### APPOINTMENT

We are happy to choose a binding appointment with you on which we expect you to come. If you can not make it please let us know at least 24 hours before the appointment, during our opening times.

We are charging an adjusted cancellation fee for uncancelled appointments.
